Letter from the President

Welcome Ladies and Gentlemen to the Thoroughbred Chorus' 68th Annual Show.

Welcome to our 68th consecutive Holiday Spectacular. For the past 67 years we've been honored and thrilled to provide a Christmas tradition that many feel is the kickoff to the holiday season. We hope today's show is no exception.

The Thoroughbreds have had a very exciting year. Last fall the chorus competed at our district convention and won the right to represent the district at the international convention this past July. We didn't win the international contest, but just being on that stage was a tremendous experience and it signaled to the barbershop world that "we're back!"

We are also extremely proud that our director Drew Wheaton's quartet Forefront won the highly prestigious International Gold Medal. They are this year's top quartet on the planet (they were narrowly edged out two years ago by a quartet from New Zealand: Musical Island Boys, and last year by their very good friends Instant Classic from Indianapolis). Those of you who were at last year's Thoroughbred Holiday Show experienced the magic of Forefront.

We are especially excited to have the Male High School Choir as our guests of honor this year. Their enthusiasm and beautiful musicality will add a dimension to the program that should please everyone.

This year the chorus is experiencing growth, musical development, and a return to the excellence that brought us 7 Gold Medals over the years. We have lots of new singers, young and not-so-young, and we are always looking for new members of all ages to share in the joy and fellowship of barbershop harmony.

On a more somber note, we lost several members to the heavenly chorus: Harold Fow, Jim Burgess, Tom Prather, Michael O'Brien, Harold Johnson and Mike Ehringer. Mike's passing stunned us since he was young, active, and one of the most energetic Thoroughbreds I've ever known. He is sorely missed and we have a musical tribute to him in our show.

I sincerely hope that you enjoy today's presentation and that you find the special spirit of the Christmas Season uplifting and rewarding. We want you to "Be Our Guest" for the next two hours and feel the spirit of the holidays warming your heart and soul.

Merry Christmas To You All !
Pat Conroy

LETTER FROM THE DIRECTOR:

Ladies and Gentlemen,

It is my distinct pleasure to welcome you to the 68th Annual Thoroughbred Chorus Christmas show. The Thoroughbreds had a very busy year, including a performance at the International Barbershop Chorus Competition in Nashville, Tennessee this July. We are very proud of the growth and improvements we have made over the year and are looking forward to continue to grow and expand our program over the next few years and beyond.

As usual, our show this year is packed with a large variety of music and acts. As such, we hope you enjoy a series of vignettes, led by our Master of Ceremonies! We are very proud to be including the Male High School Mixed Choir in our program this year! I have been working with many of Male's students over the past few years, and am glad to have been able to spend some time working with this choir this year.

So, sit back, relax, and come with us on this musical journey.
Merry Christmas and Happy New Year to all!

Are you interested in a historic setting for you event? Jim Miller Hall is a real treasure! The cornerstone was laid on July 3, 1833. After a fire destroyed the original building, it was dedicated on September 8, 1895. It was then purchased by the Thoroughbred Chorus in 1981. The building was known as Thoroughbred Hall until the Thoroughbred renamed the building after Director Emeritus Jim Miller who led the Thoroughbreds to 6 of their 7 International Championships.
